# 2002 Hawk Introduction

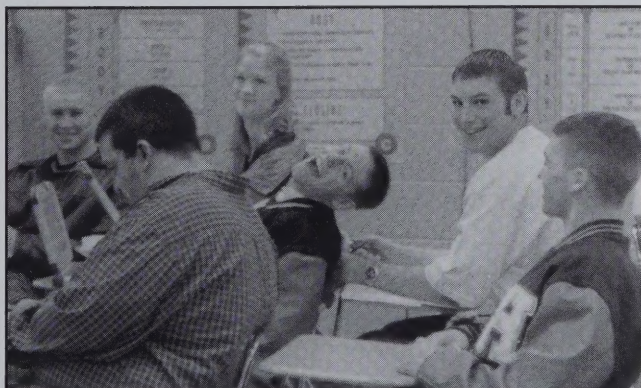

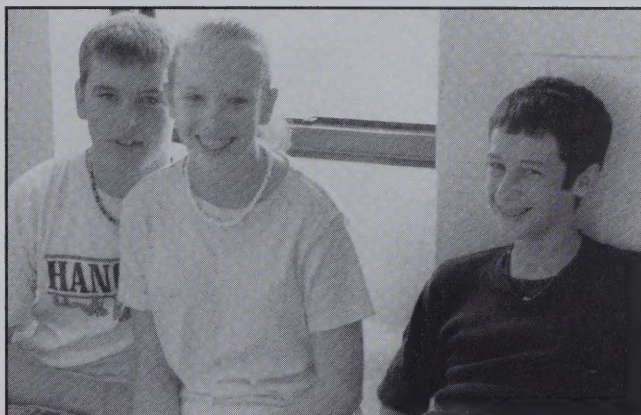

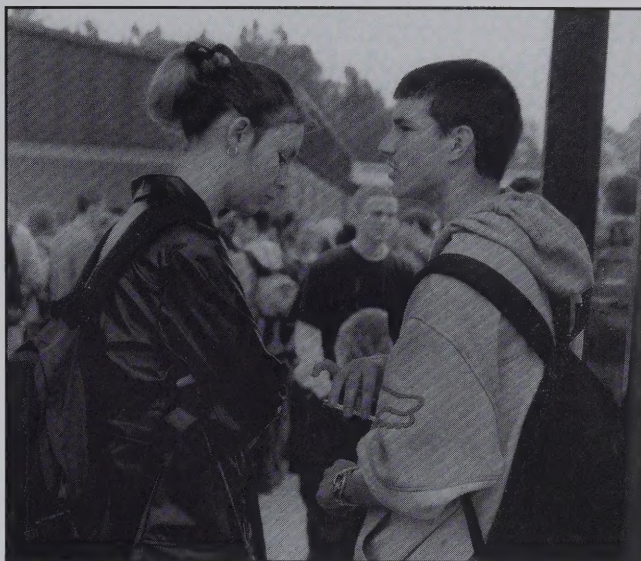

As usual, this year saw some changes here at HHS. Our growing population pushed us from 4A into the larger 5A classification. The most notable effect of our new re-classification was on our sports schedule; for example, finding us on the road to faraway Wayne County and Brandon to play football. Also, our classes have gotten larger and we have occupied all the space left behind when the middle school moved to their new campus. A principal change saw Ms. Denise Wilkinson take over at the Middle School and Mr. Ryan Niemeyer become our new assistant principal. Our daily bell schedules got more complicated and confusing this year as Tues/Thurs bells rang differently from Mon/Wed/Fri activity bells. This year we finally got a beautiful new hardwood floor for the gym along with a new paint job (complimented by a wonderful red stripe around the wall). A flashback to the past gave us outdoor breaks occasionally on activity days everyone could go outside at "recess" and enjoy socializing in our newly designated Courtyard. Two of our longtime faculty members, Nancy Smith and Pat Ashley, chose retirement and are not with us this year. Say hello to our new head football coach, same as the old coach- Rocky Gaudin, took over the helm again. Attendance policy also changed to allow an extra absence for exam exemption. Finally, a new "Discipline With Dignity" policy this year did away with corporal punishment and got the students involved with deciding classroom rules.

As for this year's Yearbook, it has been quite a ride trying to top the great books of the past few years. But we've given it our best shot. Of course we've tried some new stuff this time. To start off, we just couldn't agree on only one person for the dedication this year. So after much heated debate, what the heck—we dedicated it to two people. This year, all the sections got re-designed. Each section's title page has its own mini-contents. We also revamped the senior portrait pages with a new layout that includes future plans. Making a unique Who's Who was quite a challenge this year. We attracted some strange stares dragging the "famous love seat" around campus, but hey, it worked! This year we didn't forget anyone (hopefully). We made an extra effort for the Dance Team and the School Board, who were omitted last year.

While some of us will be walking away to begin a whole new part of our lives, it is just the beginning for others. Wherever you may stand, our hope is that when you look back at this 2002 Yearbook in years to come, it will bring back memories of good times spent at HHS. Hopefully, you will enjoy this yearbook as much as we enjoyed creating it. This yearbook would not exist without the talent and guidance of Mr. Tim Shaw, who not only put up with us every morning but also spent many hours of his free time working on layouts. And somehow he managed to keep his cool when things got really crazy along the way.

# 2002 Dedication

Usually, we start out with a short list of possibilities that we discuss for a few weeks until one candidate rises to the top. But this year we found ourselves in a definite predicament. From the beginning, we started out

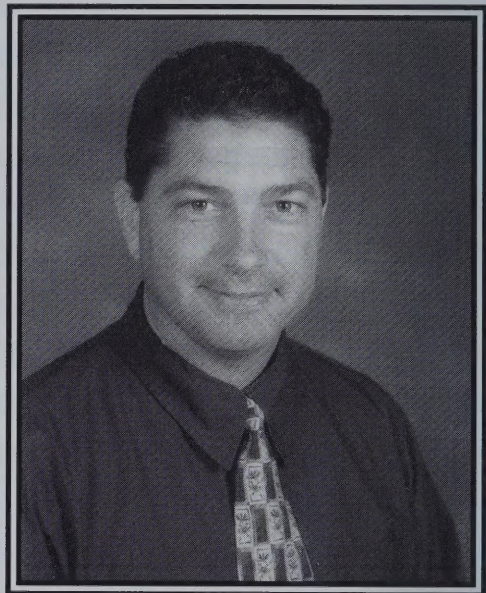

with two distinct "camps" and there was no giving in from either side. So, finally we just threw in the towel and decided to dedicate this year's book to the both of them, Sandy Lakey and Keene Golding.  
– T. Shaw

**Sandy Lakey** was born Sandra Lorraine Simpson, in Ruidoso, New Mexico, on November 11, 19#%. She attended New Mexico State University, studying Education and Home Economics. On August 24, 1968, Sandy married A.E. Lakey. They have two sons, Andee and Brian, no grand children. But they do have one very spoiled "grand puppy" Jake, also known as Jakey Lakey.

Sandy has always been an active member of her church, and she also maintains an extensive Teddy Bear collection. She is an accomplished seamstress and chef, specializing in Mexican cuisine. Sandy has her own business at home designing and baking wedding cakes. And we all will remember her outstanding bulletin boards.

Sandy came to HHS in 1994 as a substitute teacher, and then joined Ms. White in the library in 1996. Since then she has established herself as an excellent librarian assistant and a warm-hearted friend. Sandy has made a tremendous impact here at HHS, as the staff and students here have all come to know and love her. She left the HHS Library in the fall of this school year to take a position at the Central Office. She is missed by all,

**Keene Lewis Golding** was born on January 31, 1965, the youngest of six children. He graduated from Hancock North Central in 1984. After graduation, Keene joined the military and served with the 82nd Airborne Division as an MP for two years. After his release from the military, Keene married his high school sweetheart, Rhonda, in 1997, and started working for Mar, Inc., in Diamondhead, producing graphics for government publications.

But Keene wasn't happy professionally. While golfing with a friend one day, he reached a great turning point in his life. Keene Golding decided he was going to become a teacher (lucky for us). He attended Pearl River Community College and the University of Southern Mississippi where he graduated in 1998 with a degree in physics. Keene came back to his roots and started his teaching career that year here at HHS. He received New Teacher of the Year Award in 1999-2000.

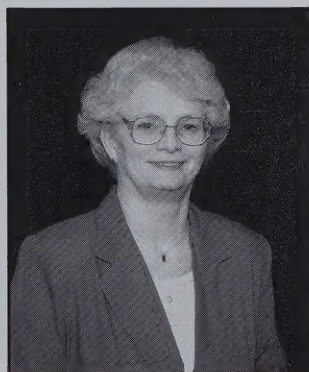

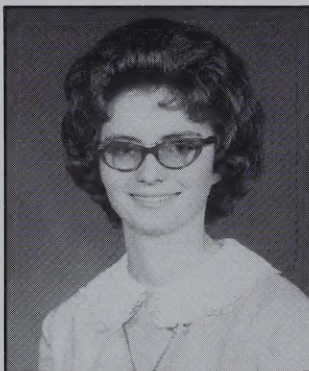

During his personal time, Keene enjoys golfing, fishing, swimming, running, and carpentry work. He also takes a liking to gadgets and technology. Anyone lucky enough to have his class will find that he uses

for her kindness has touched everyone.

This 2002 Yearbook is dedicated to you, Sandy Lakey, as an attempt to show our appreciation for all that you've done for us, which can hardly be expressed in words. Thank you so much... for everything!!!

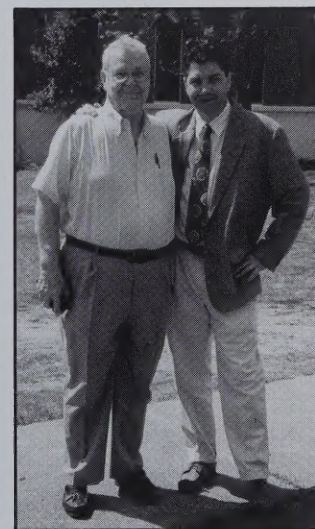

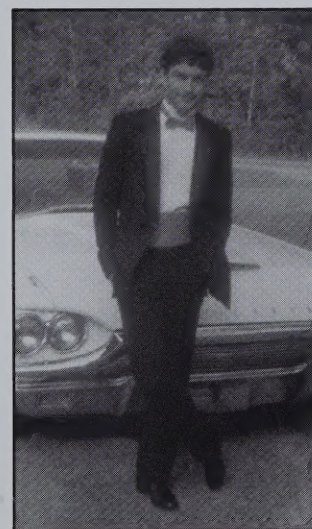

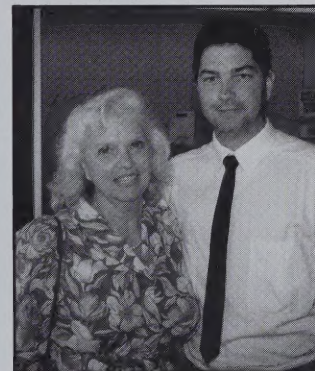

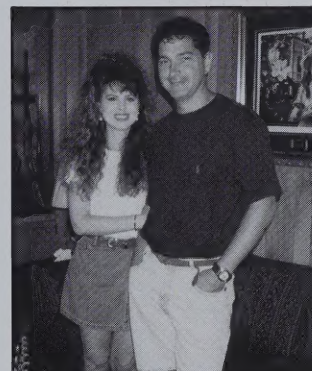

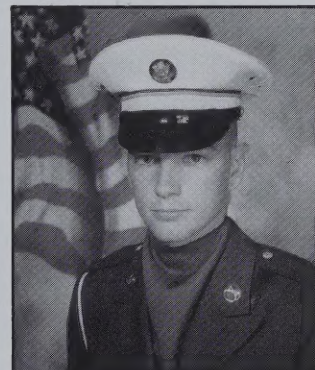

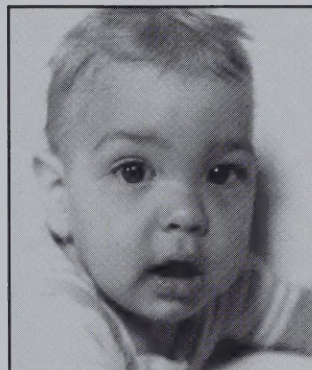

— Katy Easter

many different interesting things to enhance classroom learning atmosphere. Keene also is very fond of music (especially blues) and movies (especially Monty Python and Mel Brooks). Keene and Rhonda have a Pomeranian named Goldie, which is of course the greatest dog in the world.

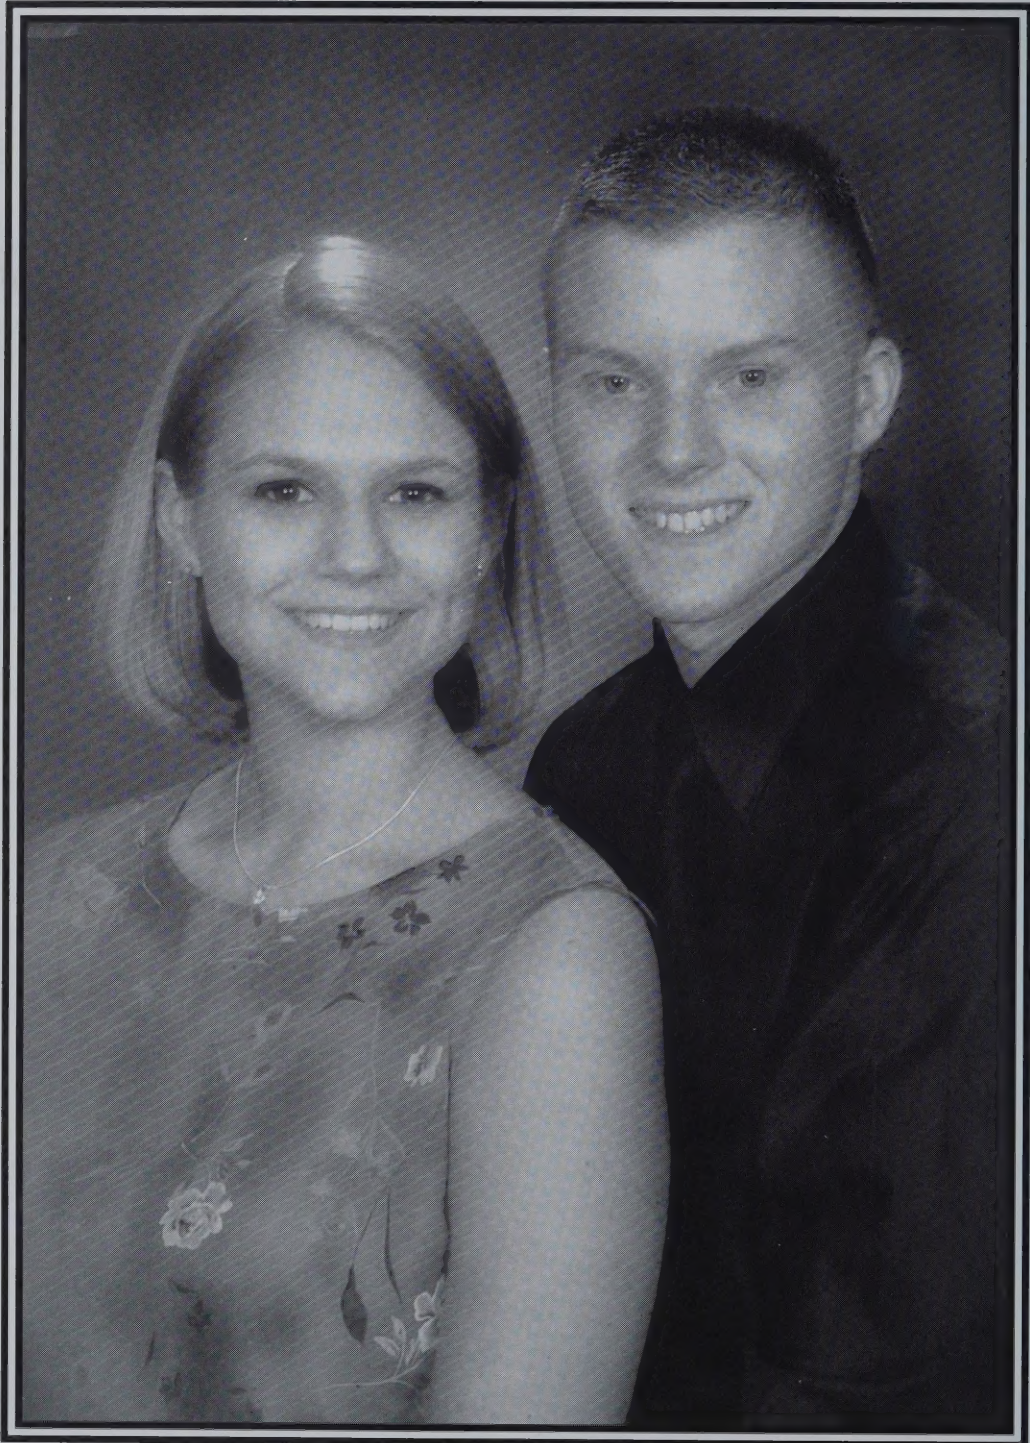

Keene can always be found explaining physics in the classroom, tutoring kids after school, cheering at our sporting events, or jogging around Diamondhead. We hear that his motto for class and life is "Do the right thing." It is our honor to dedicate this 2002 Yearbook to you, Keene Golding. We hope that your life will be continually filled with happiness and good fortune. Thank you for being not only a phenomenal teacher but also just an all-around great person.

"I feel very honored to have been chosen to represent such a great Senior class. I would like to thank my friends and family for making these past years the best time of my life. Also, I want to thank Mr. Shaw for everything he has taught me not only in the classroom but also about life. To the underclassman, enjoy your high school years but don't wait until your Senior year to wish you had worked harder or done things differently."

**We walked into a room filled with talking kids and hoped we could make friends.** We turned around to see our parents hesitantly walking away. There was no turning back on our first day of kindergarten.

We were scared but we made friends and good grades. We continued through school and some of us stayed the same, with the same friends and the same personality. Others changed, made new friends, and joined new groups. But, deep down we stayed together. High school created new challenges. We had research papers, clubs, class rank, and grade point averages to worry about. When the tides got rough we always had a support system of friends to turn to. Now, it is all coming to an end. It is all building up to the day that we walk into a room filled with talking young adults that we have watched grow into the best people that we know. Instead of wearing a book bag and whatever else our parents made us wear that made us look different, we are all dressed the same. We are all wearing caps and gowns with red, white, and blue tassels. Soon, we will walk across a stage and look back and see our friends urging us on. There's no turning back now—

**We are the Seniors of 2002 and we are going to do just fine.**

# 2002 HHS Hall of Fame

Hancock High School's Hall of Fame is what we like to call "The Best of the Best". These selected Seniors present outstanding academic records, leadership skills, great character, outstanding citizenship, and community service. To be eligible for this honor, students must have attended HHS for at least two years. No more than 5% of the Senior Class can be accepted into the Hall of Fame each year. Congratulations!

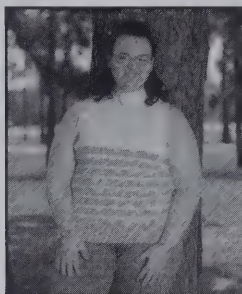

**Matt Ladner**— Throughout my four years at Hancock High School, I have experienced many events that will forever be engraved in my memory. I will never forget the four productive years of basketball spent with Coach Ladner who taught me many lessons in life as well as the game of basketball. Also, I will not be able to forget the four great years with all of my brothers (my teammates). Along with my coach and teammates, I must give credit to my teachers. I cannot forget all the outstanding times in Ms. Lovelace's class and the extremely interesting times in Mr. Golding's Physics' class. Also, I will always remember being Economy Man in Mrs. McKnight's class. Other memories include sporting events, homecoming, prom, Beta convention, club meetings, pep rallies, and procrastinating. In addition, I had some of the best times playing music with my band, the Country Playboys, which included Philman Ladner, Danny Necaise, Marcus Ladner, Trevon Burge, and Kyle Necaise.

**2002 HHS Hall of Fame:** clockwise from far left, Karolina Sarnowska, Becky Marziale, Chelsea Paschall, Amanda Lovelace, Matt Ladner, Jenna Plaisance, Chase Sackett, and Bess Wilson.

Finally, all of the great times created with my friends during and outside of school will never be forgotten. Hancock High School provided me four awesome years of memories in which I am forever thankful.

**Amanda Lovelace**— My senior quote is, "There are no shortcuts to any place worth going." I definitely have not taken any shortcuts during high school, but that has made the journey all the better. Also, the characters that I have met along this road have added much depth and dimension to this voyage. For example, I will never forget my mother, Kay Lovelace, and how she taught me more about life and literature than anyone could ever need to know. I will always remember Ms. Walter and how she made me believe I could do anything, even trig. Finally, I will never forget my Beta Buddy, Miss Miller and my hero, Mrs. Ashley. They are two of the greatest people I have ever known. Along with my all of my wonderful lifelong friends (Wana, Shelly, Heather, Becky, Lynsey, Justin, Ryan, Chris, Travis, Jimmy and Matt) that have made my world a better place, these people have made my trip through high school a beneficial one. REMEMBER, THIS ONE'S FOR YOU, DADDY!!!

**Becky Marziale**— During high school, I have traveled down a long road. Sometimes it was bumpy while other times it smoothly went by. However, I never let anything stand in my way of achieving my goals, nor have I settled for less than I deserved.

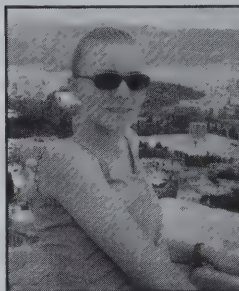

Therefore, I set my standards high and became involved in all I wanted. My involvement bestowed many fond memories that will stay with me forever. For instance, the football & baseball games (especially the cold & rainy ones), Beta Convention, Prom, Yearbook, and many more. Through my rocky times, I was encouraged that I could accomplish anything that I put my mind to. Mr. Shaw and Ms. Lameitre, thanks for the talks & advice. I do not know what I would of done with out you guys. Also, thanks to all my friends who stood by me through everything. Words of advice to the underclassmen: "When you feel like you are on a rocky road, just remember never settle for less than you deserve. Also, everything happens for a reason and learn from your so called mistakes. Do not regret them just move on. You are never given more than what you can handle. Everything will be just fine. One day you will look back and realize that you accomplished your goals and succeeded". I know I will! Good Luck! The bumpy road was worth it! I look forward to all the roads I will travel now!

**Chelsea Paschall**— High school has definitely been an adventure. I have learned that I can do anything and everything I set my mind to, and if setting my mind to it doesn't work, I am sure I can talk my way in to it.

Negotiation and persuasion are key aspects of high school, believe it or not. Honestly though, high school has proven the motto of my entire life true; "Nothing is ever as bad as it seems and tomorrow is always better". High school was not always peachy keen, but the people I've met and the events I have experienced, have made it nothing less than sweet. High school gave me the opportunity to be on the dance team and around the angelic dance team girls. Also, it gave me the pleasure of meeting my teacher and friend, Mr. Golding. To him I give my utmost respect and admiration. Finally, I want to thank God and my family, without them, none of this would have ever

been possible. Everyone should experience high school, the good and the bad. I'm relieved that it is finished, but it has truly been a blessing. Have a nice day!!

**Karolina Sarnowska**— I am really excited about being part of the Hall of Fame, finally graduating, and going off to college. I would like to call upon a poem, "Growing" by Brook Mueller to further convey

the moments emotions...

I'm leaving now to slay the foe  
Fight the battles, high and low  
I'm leaving, mother hear me go  
Please wish me luck today.

I've grown my wings. I want to fly,  
Seize my victories where they lie  
I'm going, mom please don't cry  
Just let me find my way .

I want to see and touch and hear  
Though there are dangers, there are fears  
I'll smile my smiles and dry my tears  
Please let me speak my say.

I'm off to find my world, my dreams  
Carve my niche, sew my seams  
Remember, as I sail my streams  
I'll love you all the way.

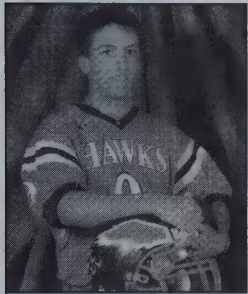

**Jenna Plaisance**— High school has been such a wonderful journey, I leave with many good memories and life long friends. Jamie and Andrea, you have stuck with me through all four years, and I hope our friendship continues long after graduation. I'll

always remember all of my swim buddies. The extremely cold weather at the last Picayune meet is something I'll never forget, I am so grateful to have been your captain my senior year. I enjoyed all of the classes Ms. Burton and Mr. Fitch taught since I practically took every single one! You are both wonderful teachers who made learning an enjoyable experience. I'll always laugh when I think of the never ending field trip to Jackson for the Math and Science Competition with Mr. Golding. What a marathon that was! I also had fun on the eventful

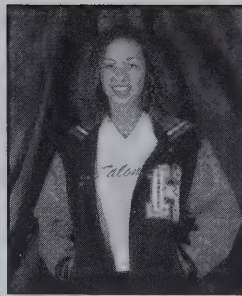

roadtrip to Ole Miss with my senior friends. All the fun made up for all the mishaps along the way. My most enjoyable moments during high school were Prom 2001 and Homecoming 2002. They were both fun and memorable nights I spent with my closest friends. Most of all, I have learned the pleasure of working, the worth of character and the value of time. As I anticipate my future, I am sincerely thankful to be taking with me so many fond memories and lessons learned.

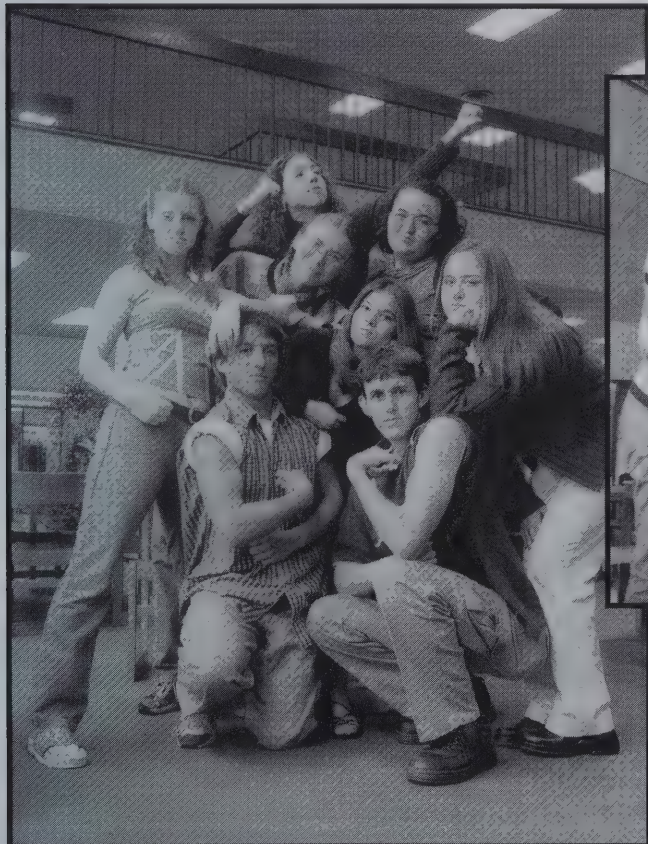

**Chase Sackett**– I have had many memories during the last four years. It is hard for me to choose just one. When asked to write about my fondest high school memory, I will not hesitate with my answer. During my junior football season, we played Petal

on their home field. We were victorious over them for the first time ever. The feelings of excitement, satisfaction, and relief that I experienced during the closing moments of that game will never be forgotten. Even now, as I write this, I cannot help but to stop and smile.

**Bess Wilson**– High school has been only four years of my life, but during those years many things have happened. I came to Hancock High knowing I would get a good education. However, I did not know I would gain so many memories, friends, and

“favorite things”. I have always pushed myself to make good grades. Getting the “A” was not always easy, but it was important to me, which made the stress worth it. My freshman year was the hardest. I was a new student, so making friends and fitting in was a worry of mine. I also had to be the dance team MANAGER because I missed the try-outs. Now, I have been the dance team captain for two years. My how things change! The memories I have are a blessing, too. My most unforgettable memories are from Homecoming Week every year. I got very close to my fellow classmates during the Crazy Week. Building the float and having the pep rally were a blast! Dressing up like a wild idiot every day was funny too. I encourage my underclassmen to participate in Homecoming Week every year!

## Congratulations Class of 2002 Hall of Famers

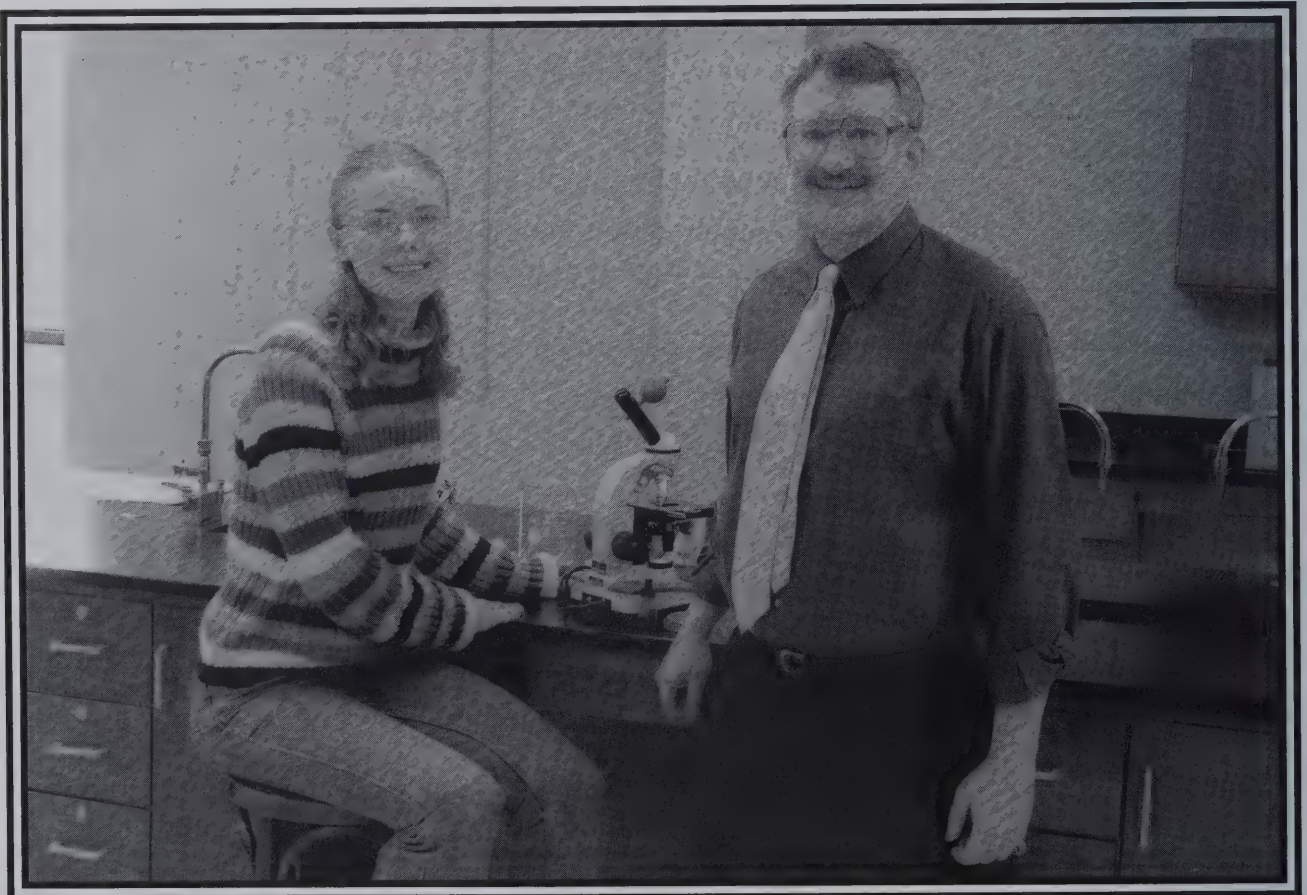

# 2001-02 Star Student & Teacher Karolina Sarnowska & Mr. Brian Fitch

The Mississippi Economic Council and its M.B. Swayze Education Foundation sponsor the Student Teacher Achievement Recognition (STAR) Program in an effort to encourage scholastic achievement among the state's high school students. The STAR program, now in its 35th year, has two specific purposes: 1) Emphasis upon scholastic excellence and the encouragement of greater scholastic effort among Mississippi Students and 2) Recognition of the teaching profession.

The STAR Student is selected by the highest permanent record label ACT score on file in the high school office. If a tie exists, the highest overall scholastic average on selected subjects is considered. The STAR Student is then asked to designate his or her STAR teacher who has made the greatest contribution to the student's scholastic achievement.

**This year's STAR selections are  
Karolina Sarnowska and Mr. Brian Fitch.**

Having worked with Mr. Fitch as a student in his classes, as an officer in his Chess Club, and as his assistant from the

Beta Club, I have found Mr. Fitch to be a very exceptional teacher. My perspective of Biology has forever been influenced by Mr. Fitch. His teaching not only acquainted me with the fundamentals of this subject, but it also evoked within me a deep interest in all the life sciences. Mr. Fitch is very knowledgeable, always answering my never-ending questions and sharing information from the spheres of science and beyond.

**Jennifer Nicole Grover**

**April 8, 1984 – March 29, 1999**

*A million times we've needed you,  
A million times we've cried.  
If love alone could have saved you,  
You never would have died.*

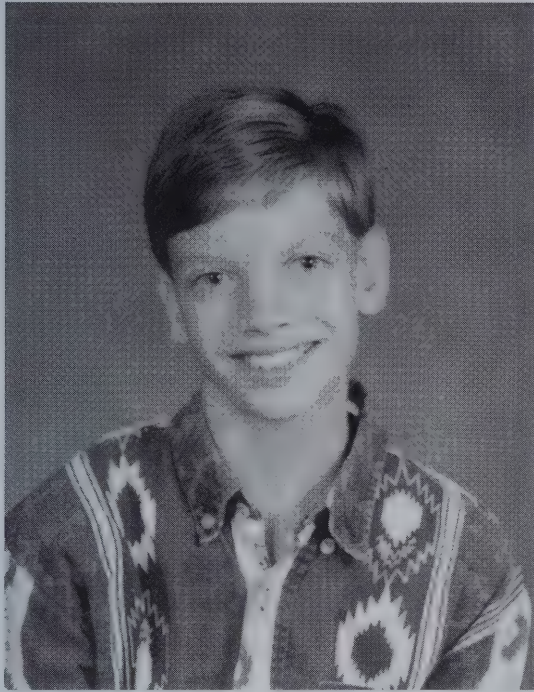

*In life we loved you dearly,  
In death we love you still.  
In our heart you hold a place  
No one else can fill.*

*It broke our hearts to lose you,  
But you didn't go alone.  
For part of us went with you  
The day God took you home.*

# In Memory of...

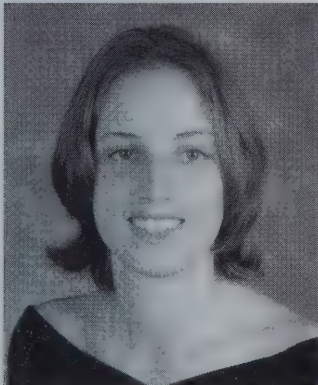

**Nicholas James Ladner**

*Dec. 24, 1983 – Jan. 3, 1996*

*A boy was flying his kite. He kept adding more spools of string to make it go higher and higher. A woman walked by and said, "You have that kite flying really high." And the boy agreed. The woman left and went about her business. On her way back, she looked up toward the sky and said, I can not see your kite." The boy agreed. She asked, "Then why don't you just let go of it?" The boy answered, "I can still feel it tugging."*

# JUNIORS

**As Juniors, our thoughts are focused on the many events and challenges every Junior Class before us has faced.** The biggest and most exciting occasion for us is, of course, PROM 2002. It is our duty as Juniors to take responsibility for the entire evening. We are in charge of making an unforgettable and majestic night for many people. **The pressure is on!**

Besides prom, we will have experienced other traditions such as getting our class rings and walking in together at Senior Assembly to move up as next year's graduating class of 2003. Also, because we are Juniors, we are one step closer to our future. This means many of us are making plans and deciding what we want to be and what kind of lives we wish to live.

We may not realize it, but time is growing short. The memories we have made as a class— the pep rallies, the homecoming display contests, and the proms will stay with us forever. Because we do not have much longer to go, we need to pull together and concentrate on the important things such as friendships; and never forget:

Everyone wants to be...

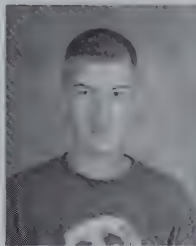

The mighty class of 2003.

# SOPHOMORES

**As Sophomores and sixteen-year-olds this year, we get many new opportunities and responsibilities.** Some of us finally get that long awaited driver's license. At school, more electives for Sophomores allow us some freedom in choosing our classes. Also, we get an exciting peek at graduation in two years as we order our Class of 2004 rings.

It begins to occur to us that we will soon be half way through our high school career and one year closer to graduation. During the next two years as Juniors and Seniors, we will continue to grow closer as a class and closer as friends. We are all looking forward to our Junior year, and we hope that the next two years will be as great for the Class of 2004 as these last two years have been.

# FRESHMEN

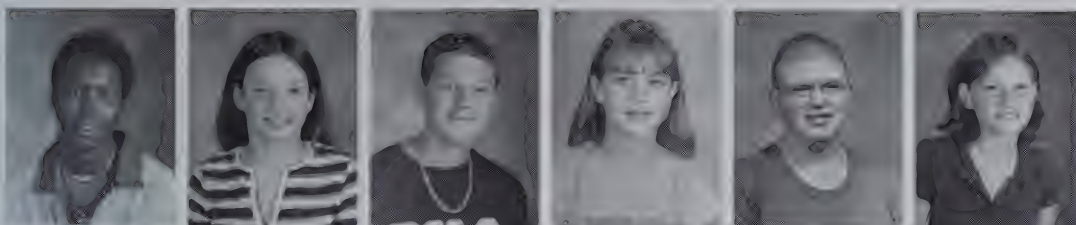

**This year, being the largest class of Freshmen to walk through Hancock High's doors, was a great experience.**

It was different and took a while to adjust to the responsibilities and changes we had to make.

Just the fact we were not the big dogs at the Middle School anymore, but now the youngest at the high school was one of the biggest changes. Even though it took time to get used to it, we have stuck together and made the best out of our first year at Hancock High School.

## HANCOCK COUNTY SCHOOL DISTRICT

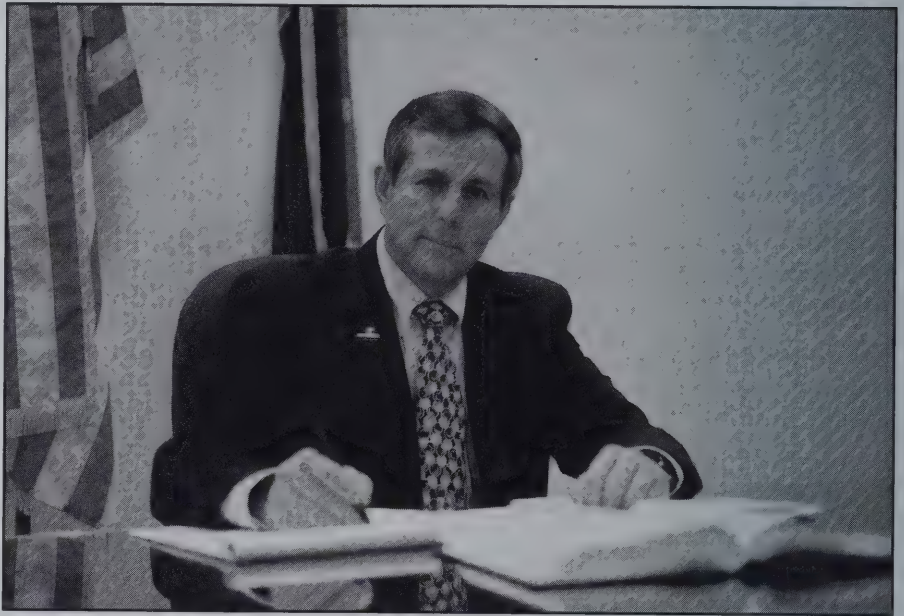

### Mike Ladner

September 11, 2001, will go down in history as one of the most disastrous times in American history.

One of the most heinous terrorist acts in our history claimed the lives of many of our fellow Americans.

However, at this writing we have answered

the call to protect our freedoms and democratic way of life. We are presently engaged in a battle that will inevitably free us from those who wish to do us harm. We will prevail as victors because we are Americans.

I would like to take this opportunity to congratulate our seniors and bid you farewell and hope your experience at Hancock High is one you will treasure forever. To the fine class of 2002, may all your dreams come true. *"Good luck Matt"*, from Mom and Dad.

Allow me the opportunity to commend the faculty and staff for their very dedicated and unswerving devotion to our children. You continue to perform tirelessly so that each and every child will be afforded the best opportunity possible to become successful. Always remember to place "Kids First."

I wish all of you continued success and remember the red, white, and blue with "Hawk Pride."

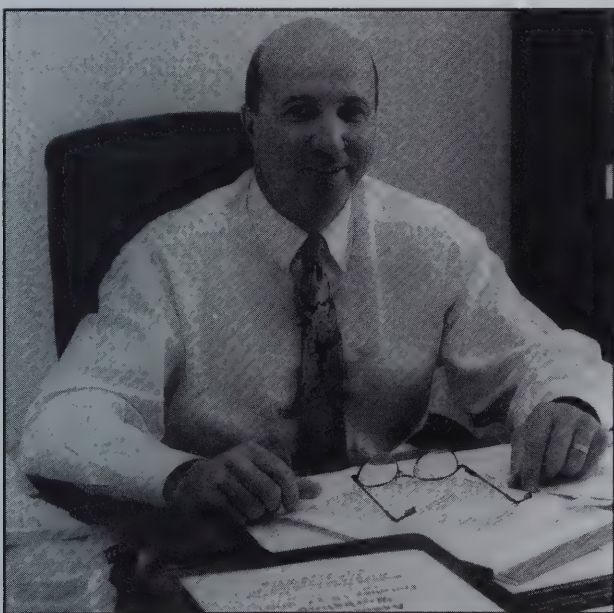

Mike Ladner

## Student Council

The Student Council has a very large role to play at HHS. The Student Council takes the ideas from the student body and presents the information to the administration and superintendent. It also assists in school functions by helping prepare teachers for the new school year and showing new students around the campus. The Student Council awards scholarships annually to seniors possessing leadership and qualifications. Student Council also attends leadership workshops and aids civic organizations through donations.

# Costumes...

Hancock High's infamous Homecoming Dr ess-Up Week was better than ever this year.

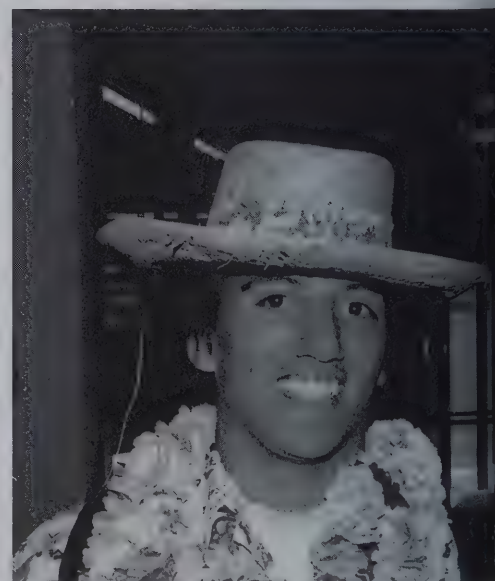

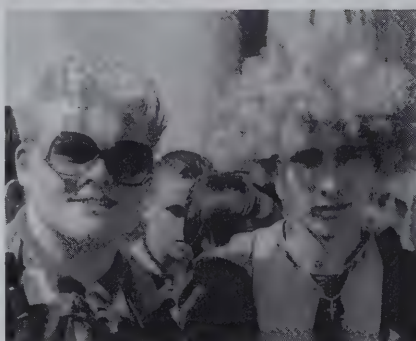

Although we missed Monday because of a holiday we came in full blast with Tropical Tuesday.

The halls were filled with flower leis, grass skirts, coconut outerwear and swim wear, to name a few. Wild and Wacky Wednesday proved that even the most fashion-

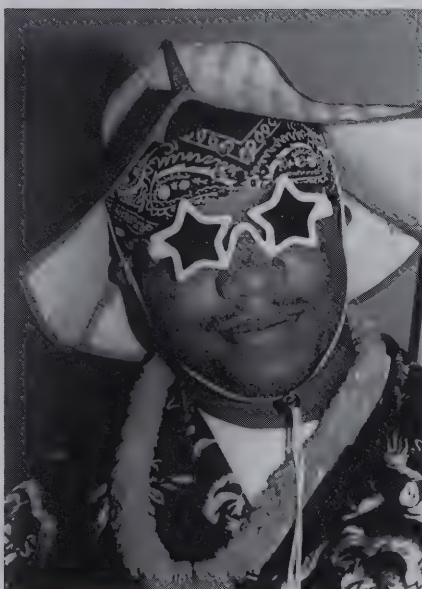

able students have some tacky outfits. The mismatched clothes, underwear as outerwear, and crazy makeup and hair styles were as the title said... wacky and wild. After all that craziness the students were tired. Thank goodness the next day was Tired

Thursday. The students took on sleepy attire with their pajamas, slippers, pillows, blankets, and favorite fuzzy animals. Since we were all rested we were now ready to charge full force into FIRE D UP FRIDAY!!! Anything red,

white, and/or blue was thrown on by the students and worn with pride that day. The clothes were not the only things with the Hawk colors- their faces, hair and make-up were also tainted with red, white and blue. Who can deny that Homecoming Week is not the best week of school?

# Student Games...

The much loved Homecoming games started off with the fast pace obstacle course. The course started off with the three legged race. After the tag was made the apple wheelbarrow came into play. They grabbed the apple out of the kiddie pool and then tagged the hula hoop pass. The end person from the hula hoop pass then tagged the potato sack racers and finally the water sprinters finished the race.

As a result, the seniors proved victorious taking first place. The race was over but the war was just beginning, the tug of war that is.

The tug of war, the true test of strength, the highlight of the games, was fierce and competitive. After all the sweat and clinching teeth, the sophomores surprised everyone with a win. The seniors came in second, the juniors came in third, and finally the freshmen came in fourth. The games were genuinely intense!

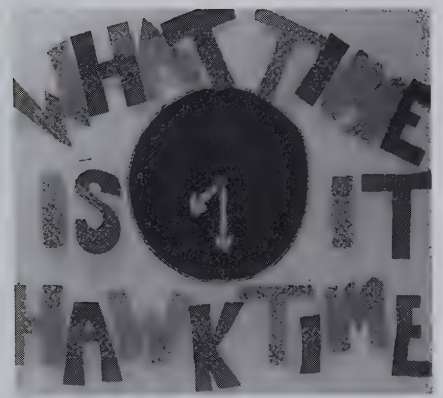

# Displays...

One of the highlights of the annual Hancock High homecoming season is the float design contest between the classes. For the first time, the senior class pulled together to actually create a potential winner. Their theme, "We're Ready", depicted the famous chant of our victorious football team. Although the seniors put their blood, sweat, and tears into their beloved float, the Junior's "Led the way in 5-A" with patriotic float and overwhelmed the judges with sentimental support. The Sophomores captured the Tiger, but came in third place with their fashion statement float, "Stripes are out, Feather are in". The Freshman unfortunately pulled in last with their "Hawktime" float.

# Pep Rally...

"Two bits, four bits, six bits, a dollar... all for the Hawks stand up and holler!!! Every Friday, students and teachers conjoin in one area, the gym, to celebrate on event, the upcoming football game. From the dance team busting moves with M.C. Hammer to the cheerleaders flying in the air with their new stunts. There is no denying that the pep rallies are huge adrenaline rushes. The band and guard provide music and flashy routines to spice things up. The most awe inspiring sight one will see at this Friday afternoon madness, though, are the hundreds of Hancock Hawks screaming, cheering, jumping, and just making complete fools out of themselves to show their support for the beloved football team. One special pep rally comes to mind when the students think about pep rallies. October 19, 2001 was Hancock's homecoming. The mob we call students, went all out that pep rally. The gym was filled with the juniors "kiss our class" shorts, the seniors poms, silly string, and announcement tunnel for their homecoming maids, and tons of red, white, and blue. As expected, the seniors reigned over the underclassmen and greedily accepted the spirit award. It is time like these that show that no matter how spirited or unspirited the students are, the homecoming pep rally will make everyone feel proud to be a Hancock Hawk.

# and the Ball Game.

The Hawks came into the Homecoming Game as big underdog's to the powerful Hattiesburg Tigers. But after the game was played, it was the Tigers who were humbled 38-35, thanks to a great team effort by the Hawks who were 6-2, 3-1 going into the game. Hancock was led by the superb play of our offensive line "The Trenchdiggers", who did not allow a sack, and opened the way for the Hawks to rush for a season high 401 yards. Head Coach Rocky Gaudin remarked, *"I have said this a lot this year but I am extremely proud of our team. We have overcome a lot, and they never quit tonight."*

Pudding,

I wish you the best in your life. I love you and hope Your endeavors bring you the best of luck and happiness.  
-Daddy

Mandy,

I can't believe you are graduating already!!!! I hope you have lots of fun this year!! I love you with all my heart and wish you lots of happiness. You'll always be my sweet "baby-cakes".

Love,  
Mom

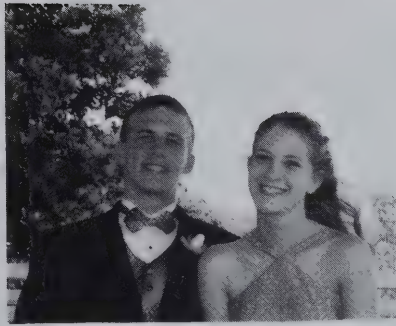

Mandy,

We have finally made it, the one thing that we have been waiting for our whole lives. Even though this is our last year of graduation, I hope that we can stay together forever. I know that everything hasn't always been smooth but let's make the rest of our lives together memorable. I love you always,

Cody

With all my love and best wishes

Brandon

We have watched our baby girl grow into a beautiful young woman. We're so very proud of you; God has blessed you dearly. This is the beginning of the rest of your life. Remember, with all of your future goals and dreams to always keep God in your heart and soul, and you will finish on top. We will always be there for you. We'll love you forever, we'll like you always, as, long as we're living, our baby girl you'll be.

Love,

Mom and Dad

Kristy Davis

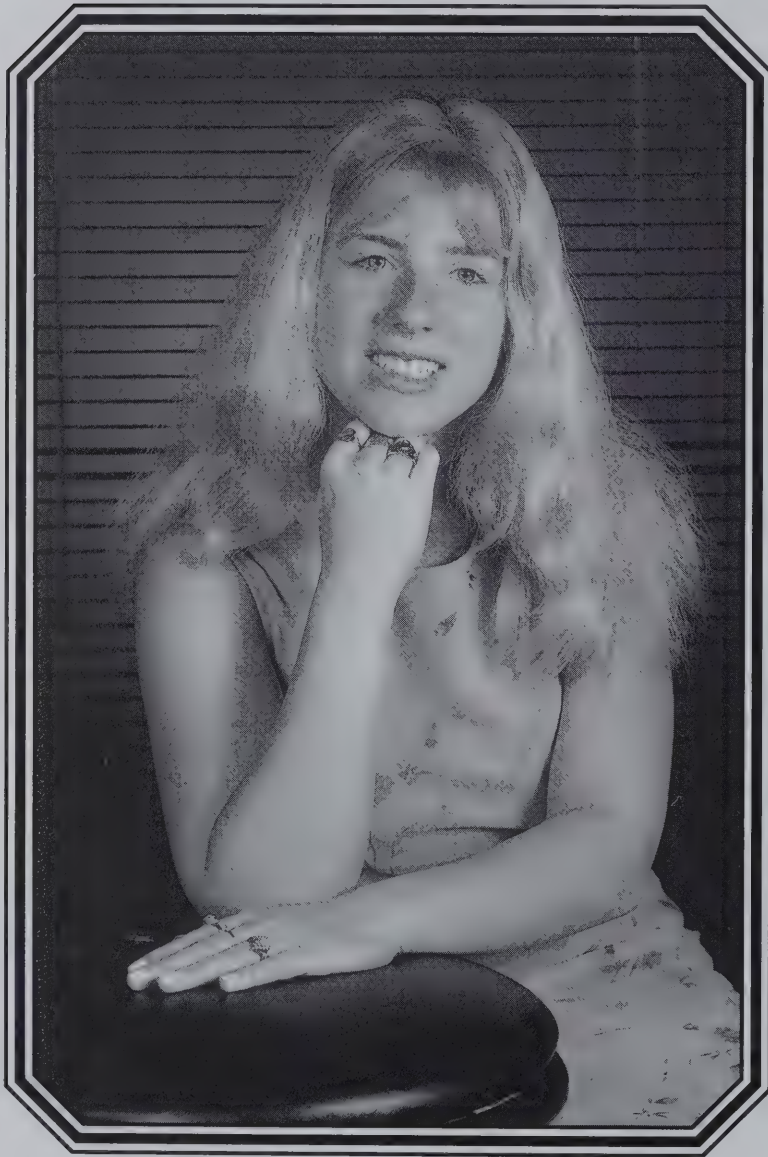

**Congratulations Sissy,**  
Though our teasing and  
aggravation we finally see you as a  
beautiful and loving young lady.

# Dustin Hariel

Dustin,  
Make your life successful  
by working as if your life  
depended on it, because it  
does. Never mistake  
knowledge for wisdom –  
one helps you make a  
living, the other helps you  
make a life. Always commit  
your excellence to those  
things which are impor-  
tant, then, align your  
purpose accordingly.  
Remember, life is like a  
flat tire– it's only bad if  
you don't know how to  
change it.

We love you,  
Lucinda, Misty, Scott,  
& Brett

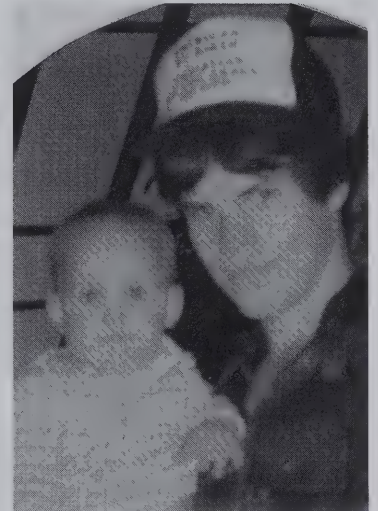

# Dywana Saucier

*Dywana, we are very proud of the wonderful, Christian young lady that you have become. Keep your head straight and let God always be your guide. Always remember that we are here for you. No matter how grown up you become, you will always be MAMA'S LITTLE ANGEL and DADDY'S LITTLE GIRL!!! We pray that life will hand you all that God has planned for you, including a life full of happiness.*  
Love, Daddy & Momma

*Wanna, Good luck in your future. I love you and will always be here for you!!!*  
Your Brother, Donovan

*Dywana,  
We fuss and fight  
We hug and laugh  
Our love will be strong  
When we grow up.*

## CONGRATULATIONS!

Well needless to say, you've made it! Thinking back, I often wondered if this day would ever come, and yet here it is! All those mad dashes to turn off the alarm clock only to fall asleep all over again. The "Wall of Randy" is almost

complete. We know that you have the potential and ability to do anything you set your mind to do.

We love you very much, Mom, Dad, Brent, Deedy, Chris, Megan, Matt, Beth, Danny & PawPaw

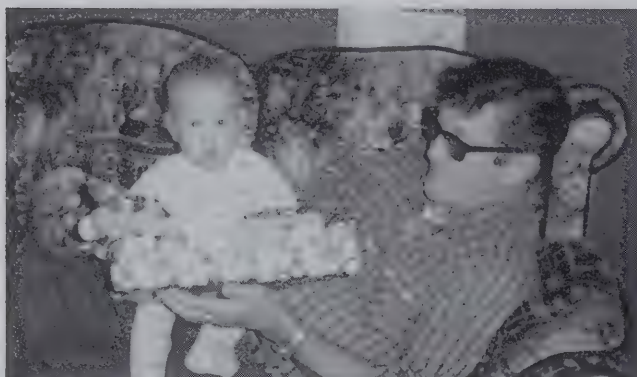

# *Congratulations C.J. Class of 2002*

We are so proud of you! It seems like just yesterday you were born. You grew up so fast right in front of our eyes. We hope you could be that little boy again, but we know you have your own future ahead of you. So go for it and keep us as proud of you as we have been since the day you were born. You brought so much joy to our lives. Our hope for you, is that the joy is returned to you.

May God be with you and keep you safe.

We Love You Very Much,  
Dad & Mom

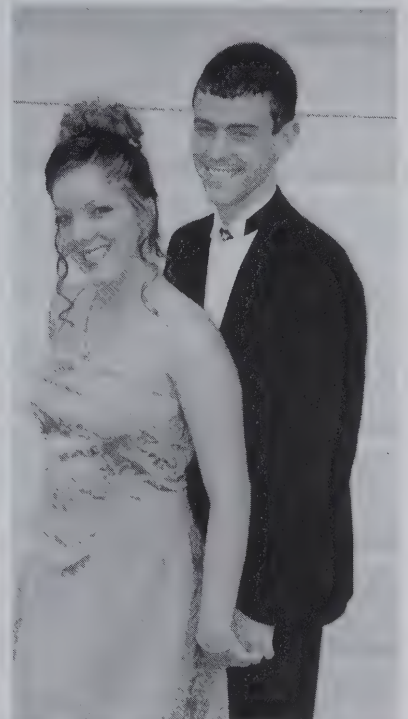

I could not thank you enough Dr. George! If it would not have been for you, I would more than likely not have seen my graduation.  
Sincerely, C.J.

*Amanda, Your great accomplishmentt has been made – dreams do come true. You, being the middle child, I know was never easy. We have traveled through many roads together. You made things in life seem so easy. As you graduate, remember I'll always be here. It will never be easy to let go. I'm very proud of you. Best wishes. Best college years coming soon.*

*Congratulations,  
I love you, Momma*

*Amanda, You have finally made it through the years, with all the good times and memories to look back on. This is the beginning of accomplishments in life you will achieve. At the end you will see all the trials and tribulations were worth it. I am so proud of you and I know you and I know you will succeed in any dream you have. Thanks for all the talks, laughs, and tears we have shared. Remember I'll always be here for you and love you. Congratulations on your sucess, I love you,  
Your big sister, Elizabeth*

*Amanda, You've done a great job in life. You have the will to achieve anything. I know we don't always get along, but you truly are a good person inside. I really respect the way you turn the bad things in life around and pick yourself up when you get knocked down – nothing can stop you. Graduating is one of the many wonderful things you will do in your lifetime. I am very proud of you.*

## Congratulations Mandy!

Mandy,

From the first time I saw you, so small, sweet and beautiful, I knew you were the reason I was born. You have made my whole life worthwhile. The best part of me in every way shape and form. I am so proud of you! I couldn't have asked for a more beautiful, smart, and talented daughter. I look at you every day and almost cry because, the baby I once held isn't a baby anymore. I wish you the best life can offer. I know you can do anything you set your mind to. I want you to know I will be here for you no matter what! You will always be my baby, "My Little Angel".

I love you with all my heart.

Daddy's Little Girl.

I remember my thoughts, when you entered this world. There was now doubt, you were Daddy's Little Girl. I recall many firsts: first steps, first concert, and first fish. Its memories like these, I will always cherish. Now you're all grown up, as everyone can see. A beautiful young woman, with a great personality. As you start on your new journey, in this grown-up world. You will never outgrow...

Being Daddy's Little Girl

A Little Bit Of Daddy's Advice:

Let nothing or no one get in your way of being all that you can be. Live life to the fullest and have fun while you can. Be true to your heart and you will have no regrets for life has no reverse. I am so proud of you. I knew you could do it!!!!

Love You Always,

## HHS Class of 2002

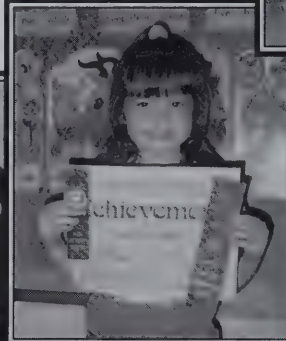

- You were once my little girl and now you are my shining star.
- A daughter may outgrow your lap... but she will never outgrow your heart.
- You're the sparkle in my eyes, the twinkle in my toes, the dance in my step and the kiss on my heart.

· A girl is much more than she seems, not a toy by any means, underneath all the make-up and hair, is a sign saying "Handle with Care".

· If I had a star for every time you made me smile I would be holding the night sky in my hands!

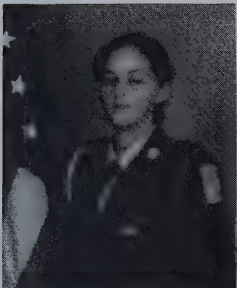

Megan,

From the time you were born you have been our special angel and the light of our lives. We have watched you grow into a beautiful young lady with a beautiful smile. We've seen the excitement in your eyes as you reached the milestones in your life... dance reviews, 1st birthdays, 1st day of school, boyfriends, 1st date, homecoming dance, prom, flag team, making the Talon's dance team, "buying make-up", and now Graduation. This all happened in such a short time, it went by too fast. You have been a sweet, loving and very "busy" daughter and sister. You have made us all very proud of you. No matter what life may bring your way, we will always be here for you. Keep you heart and mind open to accept what God sends you in the future. We wish you the best in everything you pursue. Go forth with our blessings as you start your new adventure in life. May God Bless you always and lead you through each and everyday of your life. We love you always and wish you all the happiness that life can bring!!

### How To Get From Here to There

It's harder to get from here to there  
If you set your goals too high;  
Then nothing every works out right;  
Too soon, you no longer try.

But the hardest way to get from here to there  
Is when all you ever do  
Is count up the years, and miles to go.  
Then you're through before you're through.

So how do you get from here to there?  
Well, you first must believe you can  
Let no one tell you differently—  
It's your life and it's in your hands.

Then turn your dreams into your goals  
And see what you need now  
To satisfy the requirements:  
The why, the where and how.

At first you're overwhelmed, of course;  
There is so much you don't know.  
But keep your faith, be strong and sure,  
For you do have a way to go.

Take careful steps and do them right,  
Take pride in each thing done.  
Don't look too far ahead of yourself,  
Just that next step yet to come.

Before you know it you'll be there, son  
Your dream will then be real.  
And you'll be standing where I am now,  
Telling others how good it feels.

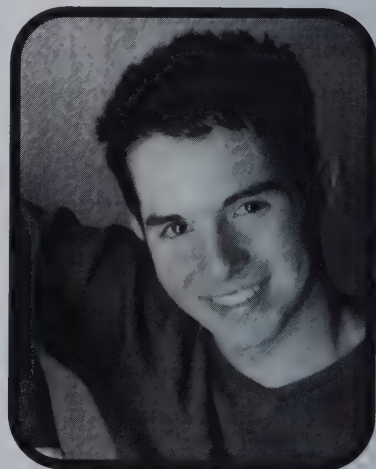

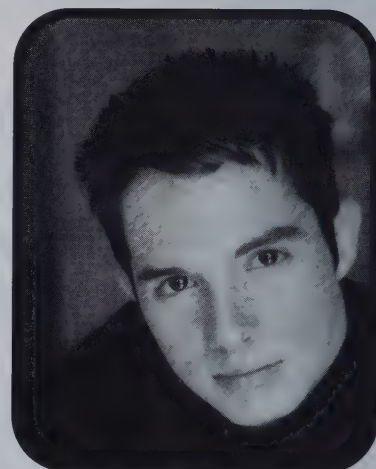

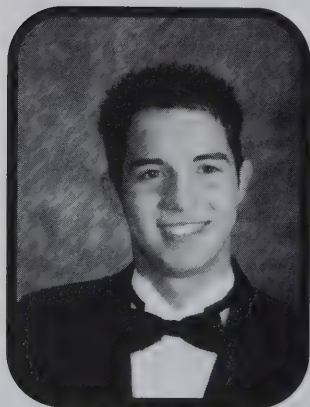

You'll tell them not to quit themselves,  
To have faith, through it's hard to bear.  
So they will know it can be done—  
They, too, can get there here from there.

*Matt: You came into our lives and filled them with much joy. We watched you grow from a little boy into a young man. We labored tirelessly to instill in you a very high standard of good morals and a Christian way of life. We did this so that some day when we are no more, you would never have to walk alone, but be strengthened with Jesus at your side. You've worked diligently for over twelve years and achieved the highest grades possible. Now you must take the fruits of your labor and apply them to the next step of your journey. We are extremely proud of you and are confident that you will become a very successful citizen. We pray that you will always be the wonderful person that you are now. Take what you have learned to this point and build upon it as you continue your walk in life.*

# Amanda Bonano

Amanda,

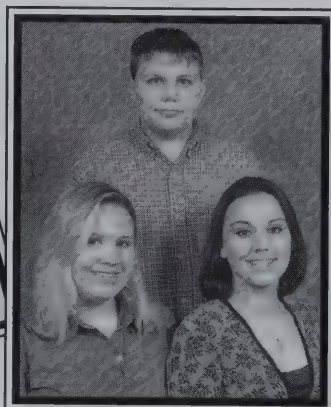

Words alone can't express our love and respect for you. We have watched you grow up from an infant, toddler, little girl, and teenager, to a beautiful, loving young lady, and a great mother to Alexis Marie.

Remember the world is full of opportunities and possibilities, just as you are filled with love and promise. There are no limits to what life has to offer you. Always, seek, discover, and embrace with openness the richness of new experience. Believe in yourself and never quit till you win; it may require alot of work but you can do it. Rememder the seed of success and greatness lies within you, nurture it and there will be nothing you can't do and you will always know success.

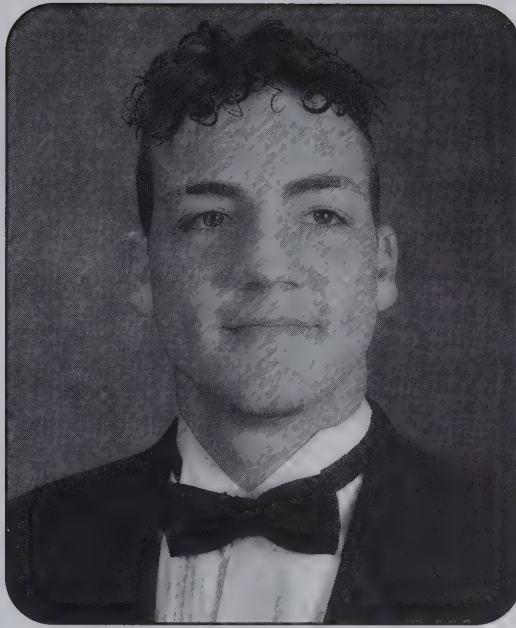

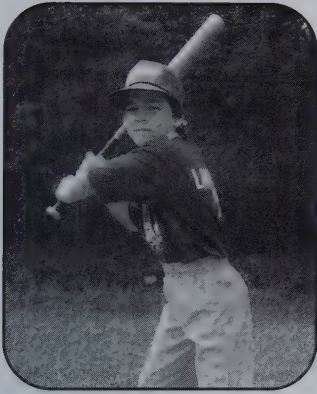

Amanda, just remember to take our love with you now and into time that we will never know. Our love will always be as much a part of you as your breathe and identity is. But most of all Amanda, I wish you courage, because with that, it usually takes care of everything else you will encounter through life.

All Our Love and Support,  
Mom, Dad, Jessica,  
Lil Glenn, and Alexis

Remember To Always  
Keep Dancing,  
Love, Jess

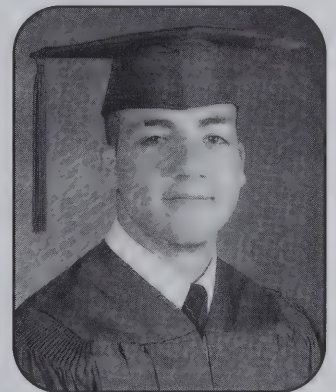

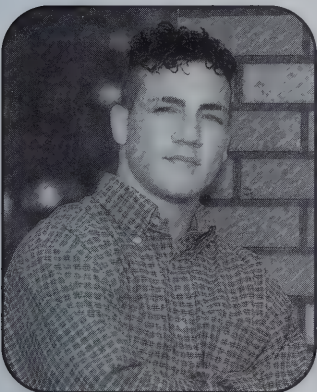

“Congratulations”  
**Billy**

Well son, you made it!!!

From the first time I held you in my arms, you held my heart in yours. Son, you have made your dad and me so proud of you. We have watched you grow into a handsome young man. Just remember to follow your dreams and they will come true.

Love, Mom, Dad, Tristin

We are very proud of you, Billy!!!

Love ya, Grandpa, Grandma, Tabitha, Aunt Gena, Josh, Jerod, Justin, Aunt Cheryl, Uncle Todd, Walter, Nicky, Lemegan, Aunt Sandra, Uncle Robbie, Heather, Cody, Aunt Ruthie, Ritchie, Kristin, and Emily.

# THE CREW

## YB Staff 2002

*It's not the destination, it's the journey.*

As this year comes to an end and the Yearbook Staff of 2002 looks back on their journey, they will see a path laden with deadlines, photos, computers, and (most important) friendships. But, oh what a journey it has been. While some of us have been on this yearbook expedition for two years, we welcomed new additions to our family. We united with our new staffers, juniors and seniors, to create what we hope is a perfect chronicle of an amazing trip through our spectacular year. During our planning, we have become true brothers and sisters united under our favorite, Papa Shaw. We had some great laughs, heated arguments, and wonderful inside jokes that we will never forget. We rolled around a big brown loveseat for a week, developed photos in the darkroom, and fought over the big purple bean bag. Because of all this, our 2002 Yearbook Crew is all the better for the journey we endured, and our destination is even sweeter.
